

# AMANDA KEITH

## ABOUT ME

I have lived in Pawleys Island for 12 years and have worked at St. Peter's Preschool for 10 of those. My own children, now in Middle School and High School, are St. Peter's graduates. I grew up in Asheville, NC and attended Appalachian State University. I love this school and I am so happy to be part of it.

## FUN FACTS

- I love collecting Pawleys Island shells and love to wander the beach looking for them.
- I'm a huge fan of The Muppets with Kermit being my favorite.
- True Crime podcasts are my favorite thing to listen to while exercising or doing chores.
