

# St. Peter's Lutheran School

## Permission to Administer Sunscreen & Insect Repellent

2022-2023

St. Peter's Lutheran School sprays our playground for mosquitoes several times per year. We encourage all parents to put sunscreen and insect repellent on their child(ren) each day **before** school begins if you feel they need it. **If it needs to be reapplied**, we need your permission to do so. We ask that you provide the sunscreen and insect repellent.

I give permission to St. Peter's Lutheran School to reapply to my child,
