

TIFFANY LUNCEFORD

ABOUT ME

I was originally from New York and lived in South Carolina the past 11 years. This is my first year teaching at Saint Peter's Lutheran Preschool, but have been tutoring/teaching on and off for 14 years. My favorite thing about teaching is seeing their faces light up over fun learning activities. Teaching brings me so much joy, I love seeing the children so happy and I enjoy watching them grow throughout the year.

FUN FACTS

- I am married with two children. One who I am grateful to have sent to St. Peter's.
- I have been a Girl Scout Leader for the past four years.
- I like to paint, even though I am not the best at it.
